CHAMPIONSHIP REGULATIONS

ELIGIBILITY

Entries are open to professional golfers, amateur golfers, and applicants for reinstatement. Amateurs and applicants for reinstatement must have an up-to-date Handicap Index® based on ratings for men not exceeding 0.4 under the Rules of Handicapping. A current Handicap ID number (GHIN) issued through an authorized golf club is required and must be submitted on the entry form. The USGA accepts an up-to-date Handicap Index issued from authorized national and regional associations around the world, that would be equivalent to a Handicap Index within the prescribed limit for entry into the Championship. The USGA reserves the right to refuse any entry, or having accepted, subsequently reject any entry where, in its reasonable opinion, there is evidence to suggest that the player's Handicap Index does not accurately reflect their demonstrated ability. Please note that the USGA may contact your home club, authorized association, or national federation to request your full scoring record and to conduct a handicap review.

Athletes from Russia and Belarus are permitted to participate in USGA championships, but may not represent Russia/Belarus or the Russian/Belarusian Federations in any capacity (i.e. pairings, scoring, hometown, etc...). These athletes are permitted to compete under another country or alternate hometown if they so choose or may compete as unattached with no country or hometown. As the championship organizer, we will not fly the Russian or Belarus flag on-site at USGA championships.

Age: The championship is open to players of all ages. Player's date of birth is required on all USGA entry forms.

An application for a player who is a minor must be submitted by a parent/guardian, and must list the parent/guardian's name, phone numbers, and e-mail address. We cannot accept a phone number or email address of any minor. A player is deemed a minor based upon the date of submission and the laws of the state in which they reside (e.g. if a player is a New Jersey resident, the player is a minor if under the age of 18 at the time of submission). The parent/guardian agrees to be bound by all the terms and conditions on their own behalf and on behalf of the minor player. The USGA reserves the right to require submission of an original signature of the parent/guardian in a confirmation copy of the application upon notification by the USGA to the parent/guardian.

Amateur Status: All amateur players must conform to the Rules of Amateur Status as approved by the United States Golf Association and The R&A.

Anti-Doping Policy: All players must comply with the USGA Anti-Doping Policy as a condition of competition. Information regarding the USGA Anti-Doping Policy, including applicable drug testing processes and information regarding Therapeutic Use Exemptions, may be found on the Apply to Play page of the USGA website at the following link: <https://champ-admin.usga.org/player/articles/Anti-Doping>.

Code of Conduct: The USGA may reject an entry application, revoke an accepted application, expel from the Championship and/or suspend a player or caddie from any current or future championships if the player or caddie engages in conduct that is deemed abusive, derogatory, aggressive or detrimental to the integrity and image of the Championship, the game of golf and/or public confidence in the USGA. Such conduct may include, but is not limited to, damage to the golf course, club facilities or the player's equipment; verbal or physical abuse of players, caddies, spectators, officials, volunteers or staff, including derogatory remarks about the eligibility of players and related matters; blatant or excessive profanity; disorderly behavior; conduct which is disruptive to competition (including playing music through portable speakers or drinking alcohol during the competition); conduct which could result in an unfair advantage to a player or disadvantage to another player; failure to abide by club rules; violation of the USGA Championship Betting Policy or other championship policy or any other unbecoming conduct. The USGA Championship Betting Policy can be found on the Apply to Play page of the USGA website, located at the following link: <https://champ-admin.usga.org/player/articles/usga-championship-betting-policy>.

Equipment Used for Medical Reasons: Players who wish to request permission to use a medical device due to a medical condition or injury and proceed under Rule 4.3b(1) of the Rules of Golf should refer to:

<https://champ-admin.usga.org/player/articles/equipment-permitted-for-medical-reasons>.

Gender Policy: For the purposes of registration, players are required to register as either male or female in accordance with their sex assigned at birth. For any player wishing to compete in a gender competition classification that is different than their sex assigned at birth or for any player who has transitioned or is currently transitioning to a gender that is different than their sex assigned at birth, you will need to follow the processes outlined in the USGA Competitive Fairness Gender Policy and comply with all eligibility requirements therein. Information regarding the USGA Competitive Fairness Gender Policy may be found on the Apply to Play page of the USGA website located at the following link: <https://champ-admin.usga.org/player/articles/usga-competitive-fairness-gender-policy>.

RULES OF GOLF; WHEN COMPETITION IS FINAL

Play will be governed by *The Rules of Golf* as approved by the United States Golf Association and R&A Rules Limited. Questions will be settled by the on-site Rules Committee, whose decision will be final. The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.

GOLF BALLS; DRIVER HEADS

Only brands of golf balls on the most current List of Conforming Golf Balls and driver heads on the most current List of Conforming Driver Heads may be used. Updated lists may be found on the USGA website at www.usga.org/equipment-standards/conforming-club-ball-lists.html or by contacting the USGA Equipment Standards Department at (908) 234-2300.

At the Championship proper only, the one ball Rule (Model Local Rule G-4) as prescribed in Section 8 of the Committee Procedures is in effect.

At the Championship proper only, the USGA will test a random sample of player's driver heads, that are intended for play in the Championship, for conformance to the Characteristic Time (CT) limit and maximum allowable club-length limit (Model Local Rule G-10).

CLUBS: GROOVES

Model Local Rule G-2 as prescribed in Section 8 of the Committee Procedures is in effect, except that the Exception in the Model Local Rule does not apply.

CLUBS: REPLACING DAMAGED CLUB

At the championship proper only, Revised Model Local Rule G-9 effective January 1, 2025 is in effect.

DISTANCE-MEASURING DEVICES

During both Local and Final Qualifying rounds, the use of electronic distance-measuring devices to measure distance is allowed (subject to certain requirements). However, during the Championship Proper Model Local Rule G-5 as prescribed in Section 8 of the Committee Procedures is in effect and prohibits the use of electronic distance-measuring devices.

PROHIBITION ON CERTAIN TYPES OF SHOES

Model Local Rule G-7 as prescribed in Section 8 of the Committee Procedures is in effect at Qualifying sites unless the Qualifying site is indicated by an asterisk on this entry application.

RESTRICTING USE OF GREEN-READING MATERIALS

At the Championship proper only, Model Local Rule G-11 as prescribed in Section 8 of the Committee Procedures is in effect.

PROHIBITING CLUBS LONGER THAN 46 INCHES

At the Championship proper only, Model Local Rule G-10 as prescribed in Section 8 of the Committee Procedures is in effect.

CADDIES

Qualifying Rounds: A player may provide his own caddie. If he wishes to have the host club furnish a caddie, he should ask the Official in Charge because sufficient caddies may not be available at the host club.

Championship proper: A player may provide his own caddie. If he wishes to have a caddie provided to him by the host club, he must complete the information as outlined in the Memorandum to Players.

A player is not required to employ a caddie during the championship.

TRANSPORTATION/CART REQUESTS

The Local Rule prohibiting the use of motorized transportation as prescribed in Section 8 of the Committee Procedures is in effect, except at certain Qualifying sites as indicated on this entry application where the caddie only is permitted to use motorized transportation. Model Local Rule G-6.

As a general rule, players and their caddies must walk the course at USGA Championships and at most Qualifying rounds. But consistent with the Americans with Disabilities Act (ADA), a disabled player or caddie may be permitted to use a golf cart as an accommodation to his or her disability for those events where golf carts are not allowed. As required by the ADA, the USGA will evaluate such requests on a case-by-case basis.

In order for the USGA to properly evaluate the merits of such requests, while maintaining the fundamental fairness of the golf competition, it is necessary for players requesting this accommodation (whether submitted by the player, by the player for the player's caddie or by the parent/legal guardian of a minor player) to submit medical documentation to facilitate that analysis. The documentation provided must demonstrate: (1) a player's (or caddie's) disability as defined by the ADA; (2) the medical need for the golf cart that results from that disability; and (3) that by providing a golf cart to a player or caddie in that particular circumstance, the USGA would not be fundamentally altering the fairness of the competition by providing a player with an advantage over other players. The required form entitled **Golf Cart Request Form (as well as additional important information for first time and subsequent requests for a cart)** is available at the following link: <https://champ-admin.usga.org/player/articles/Requesting-Golf-Cart>.

This grant shall be binding on my heirs, executors, administrators and assigns, and the successors and assigns of the USGA. I hereby waive all privacy, publicity, defamation, libel, and proprietary rights relating to the Appearance as used by the USGA in conjunction with these terms.

Players' preferences for both Local and Final Qualifying locations must be designated on the entry. Players must select three Final Qualifying sites in order to complete the entry process. It is possible that players may not receive their first choice of Final site and will be notified by the USGA of any change. Priority will be established by date entry was received. Locally exempt players will receive their first choice of Final Qualifying site provided the site has not been oversubscribed.

Qualifying sites may be canceled due to lack of participation. Local Qualifying sites are final after entries close. Please note that due to weather or other factors, a Qualifying location may need to be delayed or postponed one or more days, and players should be prepared to play on the posted rain date if necessary. Players who withdraw after 11:59 PM EDT 72 hours before the qualifier will not receive a refund.

WAITLIST

When a Qualifying location has met capacity, players may sign up on a waitlist. The fee to join a waitlist is \$10 and non-refundable. Priority of each list will be based on the date of receipt of entry application. The player's current waitlist status is located on the Upcoming Competitions/Transfer Sites Tab on the Apply to Play page. Players who sign up for a waitlist are not guaranteed a spot in the qualifier. Waitlist expires 72 hours from the qualifier and all players who remain on the waitlist within 72 hours of the qualifier will be withdrawn with no refund.

Prior to the close of entries: If the original waitlist site becomes available, the player will be assigned to that site, charged the qualifying entry fee and receive a confirmation email. If payment is declined, the player will have 24 hours to provide updated credit card information. If payment is not received within 24 hours, the player will be withdrawn and the next player on the waitlist will be added to the field.

After the close of entries and no later than 11:59 PM EDT 72 hours before the qualifier: If the original waitlist site becomes available, the player will be added to the field, charged the qualifying entry fee and receive a confirmation email. If payment is declined, the player will have 24 hours to provide updated credit card information. If payment is not received within 24 hours, the player will be withdrawn and the next player on the waitlist will be added to the field. The Allied Golf Association will email player information within 24 hours. Players are not eligible for a practice round until confirmed in the field and are not guaranteed a practice round. As players on the waitlist gain entry into the field, additional players will not be allowed to join the waitlist.

After the close of entries and after 11:59 PM EDT 72 hours before the qualifier: All players remaining on the waitlist will be withdrawn with no refund.

The wearing of short pants is prohibited in the Championship proper, but is permissible in Local and Final Qualifying provided the host club does not have a dress code prohibiting such.

LOCAL RULES; TERMS OF THE COMPETITION; SCHEDULES

The USGA Championship Committee/on-site Rules Committee reserves the right to alter any of the Local Rules, Terms of the Competition, provisions and/or schedules herein. The decision of the Championship Committee/on-site Rules Committee in any matter will be final. 2025 Local Rules and Terms of the Competition: www.usga.org/hardcard.

QUALIFIERS' PLACES; TIES; SUBSTITUTIONS

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and strength of field.

A tie for the last qualifier's place, or an alternate's place will be decided immediately by a hole-by-hole play-off.

Alternates in order of qualifying scores will be allowed for qualifiers unable to compete in the next stage of the Championship. In the case of Final Qualifying rounds, the alternate must play in the location entered by the withdrawn player.

If a Qualifying location cannot fill its qualifiers' places for the next stage, or if an exempt player withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke either in Final Qualifying or in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL

On the day of Qualifying, every qualifier should inform the Official in Charge whether he will play in the next stage.

If a qualifier or an exempt player withdraws, he must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competitions.

SCORE POSTING

The AGA will post Stroke Play scores for all competitors in the field who have a Handicap Index[®] issued by the USGA. It will be the player's responsibility to post scores for all other formats of play throughout the competition.

In formats of play where a player may not finish a hole (i.e. Match Play or Four-Ball), the player is responsible for recording their score for handicap purposes using the Most Likely Score (MLS) procedure. MLS on a hole includes: the number of strokes already taken, plus the number of strokes most likely required to complete the hole, plus any penalty strokes incurred on the hole.

If a Match is completed on or after the fourteenth hole but prior to the eighteenth hole, the player will record a score of net par for handicap purposes for any holes not played. If a Match is completed prior to the fourteenth hole, the player will post a nine-hole score for handicap purposes.

Players who have a Handicap Index from another authorized golf association should post their scores in accordance with the association's protocols.
